MANN-FILTER for vacuum pumps

**MANN
FILTER**

MANN-FILTER – Perfect parts. Perfect service.

Guaranteed to handle every task. The vacuum-filter program from MANN-FILTER.

Filter cartridges for vacuum air

Filter cartridges for vacuum exhaust

For high efficiency you need first-class components for servicing. Modern vacuum pumps are designed to provide peak performance around the clock. So protect your investment and service your vacuum pump on a regular basis. Compliance with the recommended service intervals means optimum pump efficiency and ensures maximum durability. Rely on MANN-FILTER for your maintenance.

Whether air filters, oil filters or air-oil separator elements – all are available in proven matching OE quality. With MANN-FILTER you are always on the safe side.
